

# PARENT BOARD VACANCY

Southway Housing is a community based social business established in 2007. We are a trusted landlord and provide good quality affordable rented homes for around 6000 households in and around south Manchester.

Our interest is in **People, Homes, and Neighbourhoods**. We take our role as a key stakeholder seriously, working in partnership with others to achieve more than we can alone.

We're looking for someone who shares our drive and passion for thriving communities to join our **Parent Board**.

We have a number of skilled and experienced Social Housing Practitioners on our current Board. We want to recruit someone with a background in strategic leadership in a complementary sector. This could be anything from Health, to Employment and Skills, Social Care to Carbon Reduction.

We particularly want to hear from people who know South Manchester and share our passion for making it a great place to live.
