  - Contact someone in the house if we can't get hold of the tenant or have concerns for their safety
  - Identify potential tenancy fraud

We will take a photograph of anyone who will be moving into the property who is over the age of 18 to help prevent tenancy related fraud.

When you sign up for a tenancy, we will ask you to complete a form so that we can supply information to the Ministry for Housing Communities and Local Government (MHCLG) about social housing lettings.

You are under no obligation to register but by doing so, you can access our online repairs booking system 24/7 and raise repairs quickly and easily. You can also view your rent account, make rent payments and much more.

If you live in one of our Sheltered Schemes we may need additional sensitive information to provide you with the services you require, for example to assist you with a housing enquiry, community alarm monitoring or seeking access to care or wellbeing services. Examples of this sensitive information includes any medical conditions you may have or your racial or ethnic origin.

We will normally only hold, use and share this 'sensitive' information with your explicit permission, although there may be reasons when we are required to do so by law, or to protect your vital interests. In such circumstances we may process your information without your knowledge or consent.

Anyone living in one of our With Care schemes will be provided a copy of a specific With Care privacy statement when they sign for a tenancy.

### **Support Services**

### **Southway employees**

As well as holding data on its tenants Southway has 200 staff on whom it holds personal and special category data to enable delivery of its services.
